

Jaya Veeramani

il5ec05jaya@gmail.com | Chennai, Tamil Nadu, India

Objective

Aspiring Web Developer passionate about creating interactive, responsive, and user-friendly websites. I am a passionate and motivated Web Developer with a strong foundation in HTML, CSS, JavaScript, and modern frameworks. As a recent entrant into the tech industry, I bring fresh perspectives, a quick learning attitude, and a deep enthusiasm for building user-friendly and responsive websites. I have worked on several personal and academic projects where I developed my skills in front-end development, basic back-end concepts, and collaborative team environments. I am eager to contribute to a dynamic team, continue learning, and grow as a professional developer. Excited to apply my skills and creativity in a dynamic and collaborative environment.

Education

Sri Sairam Institute of Technology

Bachelor's Degree in Electronics and Communication Engineering (ECE)

Chennai, India
